**PLANNING BOARD  
GRAFTON, MA****EXHIBIT 20**

Joe,

We will need additional time to determine project feasibility based on our discussions with the Board. Please accept this email as a formal request for continuance for the 8/26 meeting to the 9/9 meeting agenda. Also, we would like to set a meeting with you to discuss other potential feasible development options on this property. I will reach out to you again to try to set up a meeting. Thank you
